We as Ri Ma Sports are open for any discussion for the above.

The reason for these terms is we as coaches are involved in other cricket activities as well and run a fully scheduled days, weeks, months, and quarters and is very difficult to plan any coaching program or help other players as well if sessions been missed unnecessary. And they're for the above has been put in place.

- For weather conditions that a session can't be presented or rescheduled.
- If the session fall in a scheduled school match or practice of any sport and no prearrangement could be made.

Sessions that will not be refunded and in most cases are not rescheduled and Ri Ma Sports can't be held reliable for such a session and please read explanation as below.

- **Players get sick**
- **Players attend social gatherings like birthday parties ext.**

- Parents leave on holidays in normal school days.
- Attend unscheduled school activities

The reason for the above is players is book in groups and will give an example on a 2 group:

If player do not pitch up for whatever reason the other player that he/she been booked with will receive a 1 on 1 Lesson but we as Ri Ma Sports can't charge for such a session and to catch up the unattended player will receive also a 1 on 1 session but for a 2 on 1 group fee. And there for the player that didn't pitch up will held reliable.

But with experience both players will not pitch up for their lesson one way and or the other, or sooner or later and then such a players will receive a 1on1 lesson as well and will make up for such a session that been lost.
